25th March 2019

Our Ref: 19297

Dear Nicky

Thank you for taking the time to meet with me on 12th March.

As discussed, I have the pleasure of presenting the following quotation to revitalize the play area in Motcombe.

In summary, we propose the following:

- Remove & dispose of the existing swings
- Remove & dispose of the existing see-saw
- Remove & dispose of the existing spring riders
- Remove & dispose of the existing multi-play unit
- Supply & install new Kimber Multiplay Unit on Timber legs
- Supply & install new 2.40m timber swing combination consisting of 1 x Basket Seat & 2 x Flat Seats
- Supply & install new 2.00m timber swings consisting of 1 x Cradle Seat & 1 x Parent/Child Tango Seat
- Supply & install new Ladybird Sit-in Spring Rocker
- Supply & install new Spin & Rock Spinning Bowl (Inclusive play compliant)
- Install Cobra Mulch safety surfacing to meet BS EN:1176/77

Please see attached plan for further details.

Motcombe Play Area

Proposed Play Units

Kimber Multiplay Unit

Timber legs with HPL panels (in green or brown).

Ages 3 -12 years

Features include:

- Trick Ladder
- Pendulum Bridge
- Slide
- Fireman's Pole
- Climbing Jungle
- Snaky ladder

2.40m Timber Basket / Flat Seat Combination

Whilst playing equipment has progressed and evolved immeasurably over the years, there are some classic pieces of equipment that will always remain popular and important in any play-scheme. Our range of stylish swings will be a great addition to every play area. This 2.40m high multi-seat swing frame is suitable for very young children as well as providing a great environment for children

to interact and develop socially. Basket swings have become a 'must have' in most play areas, popular with children of all ages and abilities, it is both exhilarating and safe, the wide basket also enables parents and carers to join in if they wish. The Basket Swing can be used in different ways, as a gentle rocking sensation with children lying in the basket or as a dynamic swing ride for a group of children. It's **inclusive design** and durable construction will offer countless hours of fun for all children.

2.00m Timber Cradle / Tango Seat Swing

Starting life as a dual cradle seat frame, we will modify the seating to include a revolutionary Tango Parent/Child seat.

This unique design promotes interaction and communication between generations during play. Our new Tango swing seat allows an adult

(or older child) to swing face-to-face with the toddler

which enhances positive interaction whilst of course, having fun.

Inclusive Spinning Bowl

One of our most inclusive products, our rotating dish roundabout can be used for very fast dynamic play. The **rocking and rotating** motion with good body support and security given by the dish shape, make our dishes accessible to all. The angle of the dish and it's height make side transfer possible and minimise the lifting required by helpers.

SUBJECT TO CONTRACT

Ladybird Sit-in Spring Rocker

Our spring rockers are ideal for children aged 3+
