

*On P23 of the Plan, reference is made to 'Roadside adjoining Shires Meadow, Motcombe Road', as Policy MOT 11, referring to the site alongside Bittles Green. In referring to it in this way, it is solely for location purposes and this does not imply any relationship between the dwelling with that name and ownership of the nearby field (Site 4). The owners of the dwelling, Shires Meadow, have asked us to clearly state that they are not the owners of that field, and we apologise if the way this site is described infers otherwise.*
