

# **MOTCOMBE MEADOWS ORDER 2019**

## **Regulations: Fly-tipping**

Whilst the Parish Council recognises the difficulties faced by residents wishing to dispose of garden waste, with the Brown bin collection service discontinued for now and the Shaftesbury recycling centre shut, we cannot allow such waste to be left at The Meadows. The Regulations for The Meadows prohibit fly-tipping, and anyone found doing so could be reported to Dorset Council and a fine of up to £ 2500 imposed or a fixed penalty notice given.

Finally, please take dog poo home and dispose of it in your black bin as the bin collection is also unlikely to continue.
